UNITED STATES GOVERNMENT

Memorandum

TO : SAC (67-367)

DATE: 4/7/69

FROM : FIELD SUPERVISOR [REDACTED]

b6 - 1
b7C - 1

SUBJECT: SUPERVISION OF WORK
#5 SQUAD

Effective 4/7/69, Squad #5 will consist of 24 Special Agents, assigned to Headquarters City, working exclusively on Organized Crime Matters in Philadelphia and the areas covered by the Media and Doylestown Resident Agencies. In addition, 6 Resident Agents will be assigned exclusively to Organized Crime Matters (2 in Allentown - 2 in Scranton - 2 in Wilkes-Barre).

This memo sets forth the subjects that are being designated as key targets in the intensified drive against Organized Crime. A complete and thorough review should be made of ALL MAIN FILES AND INDICES REFERENCES (RECHECK ATTACHED SEARCH SLIPS) regarding each subject. A vigorous approach should be made to obtain their complete identity, background and current activities. Every possible step should be taken to develop a violation under FBI's jurisdiction. If no violation exists under FBI jurisdiction, then every effort should be made to bring pressure upon them by other Federal Agencies, as well as City, County, and State Agencies.

Experience has shown that the following agencies may have some type of information concerning those persons in whom we are interested. INQUIRY SHOULD BE IMMEDIATELY MADE OF EVERY LOGICAL OFFICE, AGENCY, OR BUREAU TO OBTAIN ALL AVAILABLE DATA CONCERNING OUR KEY TARGETS.

FEDERAL BUREAU OF INVESTIGATION

RAYMOND N. PAGLIONE, 339 Madison St., Bristol Pa., was contacted and having been advised of the identity of the interviewing agent and the purpose of the interview and the fact that he did not have to answer any questions if he did not wish to do so, voluntarily furnished the following:

PAGLIONE stated he has resided in the Norristown area for his entire life and presently lives at the above address, where he has since 1955. He stated he resides alone as his wife recently died and his only daughter has married and lives in Baltimore, Maryland.

When inquiry was made to the fact if he was involved in any type of gambling activities or if, in fact, he had been in the past, PAGLIONE related that he has always been interested in playing a "friendly poker game," however, he has never been involved in any type of gambling activity that would be of an interest to the FBI. PAGLIONE stated he was last arrested in 1966 having been charged with "gaming" while participating in a poker game.

PAGLIONE further advised that he is currently employed by the State as a Highway Inspector. He has been employed for the State since September of 1968.

PAGLIONE concluded by adding he has no knowledge of any gambling activities presently going on in the Bristol area, however, if he did he would be reluctant to furnish such information to the FBI. The reason being is that he feels if other individuals want to engage in gambling activities it is their business and as long as it doesn't involve him, PAGLIONE, he wishes to stay out of it.

FEDERAL BUREAU OF INVESTIGATION
DISPOSITION OF CONSENSUAL MONITORING
TECHNICAL INVESTIGATIVE MATERIAL (TIM)
ACQUIRED IN A CRIMINAL INVESTIGATION

Disposition Guidelines

In accordance with the National Archives and Records Administration (NARA) disposition authority, the FBI has developed a disposition plan allowing for the disposition of original consensual monitoring media once 11 years have elapsed from the date the media was intercepted.

The disposition plan applies to original consensual monitoring media (non-Title III, non-FISA ELSUR media) obtained via Departmental/SAC/ASAC approval or court authorization for the consensual monitoring. This disposition plan does not apply to transcripts, logs, indices, and other reports drawn from the media, which are incorporated in FBI case files.

The following NARA requirements must be met in determining disposition eligibility for consensual monitoring media:

A minimum of 11 years have elapsed from the date the media was intercepted.

- The media must have no known historical value (i.e., containing data of well-known national public figures or events).
- There is no longer investigative or intelligence value in the media.

In addition, FBI policy requires that the following conditions be satisfied in determining disposition eligibility for consensual monitoring media:

- The case, to include all sub-files, must be in a closed status.
- The case must not be on the legal hold list.

To assist FBI field offices in significantly reducing the space required for storing media without continuing value, the Operational Technology Division (OTD) has created the following checklist to readily identify original consensual monitoring media eligible for disposition.

Note: Physical destruction of eligible consensual monitoring media is to be handled in accordance with applicable provisions of the FBI security policy manual. Contact your security office for details.

TECHNICAL INVESTIGATIVE MATERIAL (TIM)
ACQUIRED IN A CRIMINAL INVESTIGATION

Part I Basic Information & Documentation
To be completed by the ELSUR Operations Technician (EOT)

Case ID #: 253B-SA-50642

Ensure the following requirements are met before submitting the media for disposition review:

1. Is the case closed?* Yes No
2. Has 11 years elapsed since the date the media was intercepted? Yes No
3. A check of the legal hold list has been completed with negative results?

Date checked 08/10/2017

Yes No

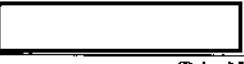

*If the case is in a pending/inactive status because of the disposal of firearms, valuables, drugs, or forfeiture items, the consensual monitoring media may be disposed of (assuming all other disposition requirements are met).

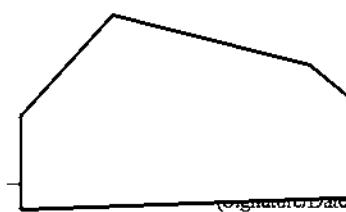

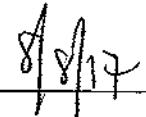

For non-automated cases - Pre-UCFN non-bar-coded media:
Follow instructions provided by EC 321B-HQ-1670685 Serial 184.

For automated cases in Sentinel or ACS:
Verify case is available for review in Sentinel/ACS.

Note: Case files are not required for review unless requested by a special agent.

Part II Review and Disposition Authorization
To be completed by the Special Agent (SA) or Supervisory Special Agent (SSA)

Review the EOT's Part I of this form and complete the following:

To the best of your knowledge, is the media of historical value (i.e., does the media contain data from a national known figure or event that was prominent in the national news)?

Yes No

If the SA or SSA believes the case has historical value, the media is to be maintained by the EOT. Further guidance should be requested from Records Management Division (RMD), Records Disposition Unit (RDU) if needed.

Based on applicable regulations and FBI guidelines governing the disposition of original consensual monitoring media acquired during the course of a criminal investigation and the information presented to me herein:

I authorize the disposition of the media by "an approved destruction method" under the guidelines set by the Security Division.

I decline to authorize the disposition of the media pending further action/interest. The media will remain in the ELSUR Evidence Control Room (EECR) under the custody and control of the EOT.

Note instructions, if any:

- 1. For non-automated cases, place the original FD-986 in the last volume of the main case file.

If disposition of the consensual monitoring media has been approved, complete the following:

- 1. Before final disposition re-check legal hold list.
- 2. For automated cases in Sentinel, annotate the disposition on each corresponding record in Sentinel.
- 3. For ACS cases that have not been migrated into Sentinel, annotate the disposition on each corresponding record in ACS.

Results of Examinations:

The unknown voice in the designated area on specimens Q39, Q40, Q66, and Q67 were subjected to an aural evaluation which revealed an insufficient number of comparable words, preventing meaningful comparisons.

Voice identification by the spectrographic method is not considered a positive means of speaker identification and the results of such examinations are furnished for investigative guidance only.

Terms And Conditions

Definitions On this Airbill, "we," "our," and "us" refer to Federal Express Corporation, its employees, and agents. "You" and "your" refer to the sender, its employees, and agents.

Agreement To Terms By giving us your package to deliver, you agree to all the terms on this Airbill and in our current Service Guide, which is available on request. You also agree to those terms on behalf of any third party with an interest in the package. If there is a conflict between the Service Guide and this Airbill, the Service Guide will control. No one is authorized to change the terms of our Agreement.

Responsibility For Packaging And Completing Airbill You are responsible for adequately packaging your goods and properly filling out this Airbill. If you omit the number of packages and/or weight per package, our billing will be based on our best estimate of the number of packages we received and/or an estimated "default" weight per package as determined by us.

Responsibility For Payment Even if you give us different payment instructions, you will always be primarily responsible for all delivery costs, as well as any cost we incur in either returning your package to you or warehousing it pending disposition.

Limits On Our Liability And Liabilities Not Assumed

• Our liability in connection with this shipment is limited to the lesser of your actual damages or \$100, unless you declare a higher value, pay an additional charge, and document your actual loss in a timely manner. You may pay an additional charge for each additional \$100 of declared value. The declared value does not constitute, nor do we provide, cargo liability insurance.

• In any event, we will not be liable for any damage, whether direct, incidental, special, or consequential in excess of the declared value of a shipment, whether or not Federal Express had knowledge that such damages might be incurred, including but not limited to loss of income or profits.

- We won't be liable:
 - for your acts or omissions, including but not limited to improper or insufficient packing, securing, marking, or addressing, or those of the recipient or anyone else with an interest in the package
 - if you or the recipient violates any of the terms of our Agreement
 - for loss or damage to shipments of prohibited items
 - for loss, damage, or delay caused by events we cannot control, including but not limited to acts of God, perils of the air, weather conditions, acts of public enemies, war, strikes, civil commotions, or acts of public authorities with actual or apparent authority.

Declared Value Limits

- The highest declared value allowed for FedEx Letter and FedEx Pak shipments is \$500.
- For other shipments, the highest declared value allowed is \$50,000 unless your package contains items of "extraordinary value," in which case the highest declared value allowed is \$500.
- Items of "extraordinary value" include shipments containing such items as artwork, jewelry, furs, precious metals, negotiable instruments, and other items listed in our Service Guide.
- You may send more than one package on this Airbill and fill in the total declared value for all packages, not to exceed the \$100, \$500, or \$50,000 per package limit described above. (Example: 5 packages can have a total declared value of up to \$250,000.) In that case, our liability is limited to the actual value of the package(s) lost or damaged, but may not exceed the maximum allowable declared value(s) or the total declared value, whichever is less. You are responsible for proving the actual loss or damage.

Filing A Claim YOU MUST MAKE ALL CLAIMS IN WRITING and notify us of your claim within strict time limits set out in the current Service Guide.

You may call our Customer Service department at 1-800-Go-FedEx® (800-463-3339) to report a claim; however, you must still file a timely written claim.

Within 90 days after you notify us of your claim, you must send us all the information you have about it. We aren't obligated to act on any claim until you have paid all transportation charges, and you may not deduct the amount of your claim from those charges.

If the recipient accepts your package without noting any damage on the delivery record, we will assume the package was delivered in good condition. For us to process your claim, you must make the original shipping cartons and packing available for inspection.

Delivery to Residential Locations Shipments to residential locations using FedEx Express Saver may be delivered without obtaining the recipient's signature.

Right To Inspect We may, at our option, open and inspect your packages before or after you give them to us to deliver.

Right Of Rejection We reserve the right to reject a shipment when such shipment would be likely to cause delay or damage to other shipments, equipment, or personnel; or if the shipment is prohibited by law; or if the shipment would violate any terms of our Airbill or our current Service Guide.

C.O.D. Services C.O.D. SERVICE IS NOT AVAILABLE WITH THIS AIRBILL. If C.O.D. Service is required, please use a Federal Express C.O.D. Airbill.

Air Transportation Tax Included A federal excise tax when required by the Internal Revenue Code on the air transportation portion of this service, if any, is paid by us.

Money-Back Guarantee In the event of untimely delivery, Federal Express will, at your request and with some limitations, refund or credit all transportation charges. See current Service Guide for more information.

Dear Mr. Dwyer:

This is in response to your letter of October 12, 1976 concerning motions filed by defendants [redacted] and [redacted] in connection with indictments pending against them in Suffolk Superior Court.

[redacted] and [redacted] were the subject of electronic surveillance by agents of the Federal Bureau of Investigation during the period November, 1974 through January, 1975 in the course of an investigation which resulted in their indictment, along with two others, by a federal grand jury in September, 1975 for loansharking in violation of Title 18, United States Code, Sections 892 and 894. Thereafter tape recordings and transcripts of the above-mentioned conversations were made available to Messrs. [redacted] and [redacted] counsel for [redacted] respectively.

The tape recordings and transcripts were admitted into evidence in the trial of [redacted] and [redacted] in the United States District Court and are now a matter of public record. [redacted] was found guilty by the jury on all four counts of the indictment and sentenced to ten years imprisonment and a \$10,000 fine. [redacted] was found not guilty by the jury.

The Strike Force did not conduct any electronic surveillance of [redacted] and [redacted] between March 1, 1975
